Many people wish to provide for their funeral expenses, and a pre-paid funeral plan through us is a caring, sensible and cost-effective way to do so.

If you've even had to arrange a funeral for someone, you'll know just how many decisions need to be made. With a pre-paid plan, your wishes are clearly recorded which removes uncertainty for your family.

It also means your family have access to professional advice and assistance at what can be a difficult and emotional time.

Why choose a funeral plan from us?

Making funeral arrangements needn't be as distressing as you might think. We arrange plans on behalf of our customers on a regular basis and see the difference they make – it can be a huge relief to know your affairs are in order.

We arrange funerals personally with compassion and care and we pride ourselves on giving your family the highest levels of service. As part of your local community, we are here for you 24-hours a day, seven days a week.

Taking out a plan is easy

You can choose from one of our three commonly requested arrangements or create a personal plan which can be tailored to your wishes.

You can also choose to make a single payment or spread the cost and pay by instalments. If you choose to stop paying by instalments, you can leave the money paid so far in the plan as a contribution towards your funeral when the time comes.

What's more, the plans we offer are very flexible and you can make changes at any time. Once your plan is in place you can relax knowing your affairs are in order.
